

SENATE RESOLUTION 199

By McNally

A RESOLUTION to recognize the 33rd Annual Tennessee State Youth Conference.

WHEREAS, it is fitting that this General Assembly should pause to specially recognize those events and activities that serve to mold and guide today's youth as they become the principled leaders of tomorrow; and

WHEREAS, for thirty-three years, the Churches of Christ across the great State of Tennessee have held an annual conference designed to encourage morality and ethics among our youth; and

WHEREAS, sponsored by the Churches of Christ Tennessee State Youth Conference, Inc., Steering Committee, the 2010 Tennessee State Youth Conference will be held April 23-25 in Gatlinburg, Tennessee; and

WHEREAS, as evidence of the tremendous reach of this great program, more than 1,200 young people are expected to attend this year's conference; and

WHEREAS, the establishment and encouragement of high moral values within our youth is an admirable task, and those noble public servants who undertake this responsibility deserve our commendation and praise; and

WHEREAS, likewise, the young people who willingly sacrifice their time to participate in this estimable event also merit recognition; they show great promise for the future and possess the same fundamental principles that have made our great State and Nation thrive; and

WHEREAS, the State of Tennessee is honored and proud to be home to such outstanding individuals, who deserve special commendation for their commitment to this laudable conference; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED SIXTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that we recognize the Tennessee State Youth Conference on the 33rd anniversary of its founding, thank its many participants and organizers for their dedication to instilling noble values in our youth, and extend our best wishes for another successful conference this year.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy.
